Question No 75

Increasing the number of nominated Adikarnataka members in the Mysore City Municipal Council from one to five.

Mr.K.Siddiah
(Mysore City--B Urban).

Cp

The Government have so far retained only one member from the depressed classes to the Mysore City Municipal Council on which there are thirty members. This has not helped the community in getting its grievances redressed. It is therefore prayed that the number of seats for nomination of depressed classes on the Council be raised to five, more especially as the Adikarnatakas are very poor and deserve consideration at the hands of the Government
